July 8, 2024

Effective July 5, 2024, the Village of Point Edward terminated the contract with McNally Excavating Ltd. for the St. Clair and Lite Street Reconstruction Project. At this time, the Village is not able to provide further comment or details regarding the termination.

The St. Clair and Lite Street Reconstruction Project consists of four (4) project phases. Phase 1, consisting of the reconstruction of St. Clair and Lite Street from Front Street North to Bridge Street, remains in construction. Phases 2 to 4, consisting of the reconstruction of St. Clair and Lite Street from Bridge Street to Michigan Avenue, have not begun.

The Village of Point Edward recognizes the importance of completing Phase 1 of the St. Clair and Lite Street Reconstruction Project in a timely and responsible matter. Through their Project Manager at MIG Engineering, the Village will endeavour to take all steps possible to complete Phase 1 of the project as quickly and efficiently as possible.

We appreciate everyone's patience during construction and look forward to having Phase 1 of the project complete so that all of our businesses can thrive.

Mayor, Bev Hand
