### **3. Collection Times and Routes.**

Collection times and routes and alterations thereto may be proposed by the collector engaged by the Corporation, but shall be subject to the approval of the Superintendent.

#### 4. Transporting Garbage

No person shall haul, convey or transport through or upon any street within the Corporation limits any garbage or any non-collectible waste except in properly covered containers or vehicles totally enclosed or covered with canvas or tarpaulins, so fastened down around the edges as to prevent any of the contents falling upon the streets and to protect the same from flies and to prevent the escape of any offensive odours therefrom.

### SECTION D MAINTENANCE OF SANITARY CONDITIONS

(a) No person shall suffer or permit the accumulation upon his/her premises or upon lands occupied by him/her or under his/her control, or deposit or permit the deposit upon any lands belonging to him/her or in his/her occupation or under his/her control of any garbage.

Every householder of any premises within the Corporation shall, as often as necessary to prevent the accumulation of same, cause all garbage to be placed in receptacles and put out for collection.

(b) Garbage, shall be stored in vermin-proof containers and the householder shall keep the storage area vermin-free and in a sanitary condition so as to prevent the emission therefrom of obnoxious odours.

(c) No person shall sweep, throw, cast, lay or deposit or suffer any agent or employee to sweep, throw, cast, lay or deposit any ashes, offal, garbage, fruit skins, cinders, straw excelsior, store sweepings, shavings, paper, dirt, lawn rakings, broken glassware, handbills, crockery, bottles, carcass of any animals, or rubbish of any kind whatsoever in any lane, street, road allowance, park or other municipally-owned land, vacant privately owned land, creek or water course, in the Corporation.

(d) No person shall pick over, salvage or in any way interfere with any article placed out for collection, whether contained in a covered container or otherwise provided, however, that the householder shall be permitted access to the article placed by the said householder for garbage collection by the collector.

#### Placement of Containers and Bundles for Collection

1. (a) Containers and bundles set out for collection shall be placed as close to the street curb as possible without obstructing the roadway or sidewalk and in any case, the Superintendent shall have the power to designate the precise point at which containers and/or bundles shall be placed for collection.
- (b) Containers and bundles shall not be placed on sidewalks without permission of the Superintendent.
- (c) Containers and bundles shall only be set out for collection on such days and during such hours as are prescribed by the Superintendent.
- (d) No containers or bundles shall be placed out before 7:00P.M. local time of the day before the day established for collection and all containers shall be removed from the street by 11:00 P.M. local time, of the day established for collection.
- (e) No garbage will be put out for collection by a householder other than that generated from his/her premises.

**SECTION E COLLECTION, TRANSPORTATION, AND DISPOSAL OF ASHES, GARBAGE AND OTHER REFUSE.**

**1. Private Property**

- (a) No garbage collection vehicle shall be required to enter a privately-owned driveway, roadway or land for the purpose of collecting garbage from privately-owned property except for multiple-family residential households.
- (b) No collector shall be required to enter any house, apartment house or other building, or ascend or descend any stairway or enter any elevator, or hoist or load any platform for the purpose of collecting or removing any garbage.

**2. Waste Not Collected by the Corporation**

All garbage in excess of that set out in Section "C", Articles 1 and 2 hereof, shall be disposed of by and at the expense of the householder.

**3. Disposal of Non-Collectible Waste**

Any person wishing to dispose of non-collectible waste may contact the Superintendent for advice on how to do so. The Public Works Department will maintain a list of contractors who are able to provide the required collection of non-collectible waste at the cost of the householder. The Public Works department will establish a list with prices for pick-up of non-collectible waste by their Department, if they are able to carry out the collection.

**SECTION F ENFORCEMENT AND PENALTY**

**1. Enforcement**

The provisions of the by-law shall be enforced by the Works Superintendent or the By-law Enforcement Officer of the Village of Point Edward.

**2. Penalty**

- (a) Any person convicted of the breach of the provisions of this by-law shall forfeit and pay at the discretion of the convicting court a penalty not exceeding the sum of One Thousand Dollars (\$1,000.00) for each offence, exclusive of costs, and the provisions of The Provincial Offences Act as provided and limited by The Municipal Act shall apply thereto.
- (b) The court, wherein the information is first laid, and any court of the competent jurisdiction thereafter, may issue an order prohibiting the continuance or repetition of the offence by the person convicted, and such order shall be in addition to any other penalty imposed on the person convicted.
- (c) In addition to the penalty provided in Section "F" Articles 2(a) and 2 (b), where garbage is not collected by reason of the householder having failed to comply with the provisions of this By-law or in the event that any non-collectible waste is not disposed of as required by this By-law and is left by the occupant to cause an untidy or unsanitary condition, if after a demand in writing by the Superintendent, it is not removed, the work necessary to remove it may be performed by the Corporation, and failing payment therefore by the householder within ten (10) days after notice in writing of the cost of such work, the cost may be recovered in a like manner as Municipal Taxes.
