

LOOKING TO MAKE A LASTING IMPACT?

Consider sponsoring a picnic table in memory of a loved one or to support a cherished organization! These sponsorships offer a wonderful way to contribute while enhancing our community spaces. Join us in creating beautiful gathering spots for everyone to enjoy!

Memorial or organization sponsorships accepted, with approved wording ("In memory of," or "Sponsored by").

Unlike other types of donations, purchasing a picnic table allows families or organizations to make a lasting impact that will be noticed by a steady stream of people who use or pass by the area.

Some of these individuals may even recognize the person being honoured, which can enhance the significance of the gesture within the community.

This creates a meaningful tribute to a loved one or a valuable addition to the community.

The cost for each table is \$2,000, and tables can be designated as memorials.
