

Village of Point Edward

PUBLIC MEETING

Transit Service

Tuesday, March 29, 2011 at 4:00 p.m.

Point Edward Council Chambers, 135 Kendall Street, Point Edward, Ontario

1. Introduction by Mayor Kirkland

The Village of Point Edward will be considering transit service in the Village as a result of increasing costs and declining ridership. Council will be contemplating changing the current service level to an hourly service from Monday to Friday. This will be a change from the half hour service during the peak periods in the morning and afternoon. There will be no change to the Saturday transit service or the Care-a-van service.

This public meeting is being held to receive comments, concerns or potential impacts of changes from the riders, residents and businesses.

2. Presentation on the proposed transit option

The Village of Point Edward Council previously considered various options for transit service due to the escalating costs and declining ridership. Following input from the public, Council is now proposing a change that will provide hourly service only from Monday to Friday with no change on Saturday. The existing service on Monday to Friday runs at 30 minute intervals from 5:45 a.m. to 9:45 a.m. and from 2:45 p.m. to 6:15 p.m. with hourly service during the non-peak period. The existing hourly service for Saturday is proposed to continue. This meeting will provide an opportunity to obtain public input from riders, residents and businesses to determine the potential impact of the proposed changes.

No changes are being proposed to the Care-a-van service.
