

CONTRACTOR PREQUALIFICATION – OVERVIEW

The Village of Point Edward has implemented a pre-qualification process for all contractors who perform construction and maintenance work for the municipality. The intent of pre-qualification is to provide improved and more consistent project outcomes for the Village of Point Edward by working with contractors who are committed to continuous improvement in process and systems. Pre-qualification will focus on all Village of Point Edward Departments. This report will focus on: pre-qualification objectives, benefits, acceptability of contractors, requirements for pre-qualification, and a list of contractors who need to be pre-qualified.

Other Objectives:

- group contractors according to their expertise and capability
- set up panels of suitable contractors for specific work type and values
- facilitate the selection and invitation of pre-qualified contractors
- deliver improved project outcomes for the Village of Point Edward

Pre-qualification Benefits:

- pre-qualification process enables the Department to select contractors who have demonstrated the required experience, capability and capacity
- pre-qualified contractors have demonstrated the capability to provide better more consistent project outcomes
- the pre-qualification process results in reduced tendering costs relative to open tenders while maintaining competition
- allows the Village of Point Edward, as a major buyer of construction related services to more effectively implement continuous improvement initiatives

Pre-qualification Approval:

Council and/or Council Committee will investigate and examine the pre-qualifications of all contractors applying for pre-qualification. Council has the right to deny, revoke or temporarily suspend pre-qualification of any contractor..

Acceptability:

To determine the acceptability of a contractor the board will investigate the following items:

- Financial responsibility of the contractor
- The quality and availability of the contractors equipment, machinery and the number and qualifications of their personnel
- The performance record of the applicant in the performance of contracts within the municipality and for public and private improvements
- Experience in supervising and/or implementing similar construction projects
- Reputation and reliability
- The nature and extent of other current contract commitments
- Whether or not the contractor has been denied pre-qualification, if so, for what reason
- Any other fact which would materially affect the ability of the applicant to properly, adequately, expeditiously and satisfactorily prosecute the work which the applicant is seeking pre-qualification.

Pre-qualification:

Success will be dependent on a point system associated with the **Contractor pre-qualification questionnaire** (see attached). In addition, the contractor may be required to provide the following information for review and acceptance:

- an audited financial statement
- letter or certificate of good standing from a recognized bonding company;
- an executed release form provided by the Village authorizing the applicant's bank to release credit history
- Health and Safety policy
- any other relevant information requested by Council or Committee, e.g., Insurance policy.
-

Contractor to be pre-qualified:

Any contractor who executes any paid job for the Village of Point Edward shall be pre-qualified. Contractors to be listed in this process would include:

- Concrete
- Electrical
- General road repair
- Maintenance road work
- Road Reconstruction including watermain, sewer and storm sewer installation
- HVAC
- Plumbing
- General maintenance sewer work
- Tree cutting
- Consulting Engineer
- Archeology

Additions may occur to this list.

NOTE: The municipality is aware that there may be certain types of emergency situations where it is necessary to use a non-qualified contractor based on time and availability. This will be at the Village of Point Edward's discretion.

VILLAGE OF POINT EDWARD CONTRACTOR PRE-QUALIFICATION QUESTIONNAIRE

1.0 General Information

Date: _____

1.1 Name of Firm _____

Address

Telephone _____

Fax _____

Contact for Bid Purposes _____
