Dear Point Edward Citizens, Businesses, and Organizations,

To help ensure that the Village of Point Edward remains strong and vibrant into the future, we are engaging in strategic planning activities. We are looking for your input!

On Wednesday, April 26, we held a facilitated public consultation workshop at our Point Edward Community Hall. We are offering an opportunity for those unable to attend that meeting to provide their input online.

We have created a short survey that highlights similar questions to those addressed at the April 26 in-person workshop. Please click on the link below to access the survey and provide your input.

Your input will be combined with the input generated at the April 26 workshop and presented to council and staff to motivate further actions.

Thank you,

Bev Hand  
Mayor
